

## Kraljevo missionary summary

*Dear Brothers and Sisters,*

*Only in a few sentences, we want to share with you some of the key moments in the service of the Lord which took place in this wonderful city.*

*Like you, during the Easter holidays we have been quite active. Hours and hours of preparation, prayer, logistics, crying...and finally Evangelism!*

*First - puppet show for younger children and their parents, who were very interested and motivated to think about what Easter really means .*

*Second- Easter games and outreach. It was clear that the Lord's hand was on us as parents and children continued to come as the rain continued to fall. At the end of the day, one parent informed me that they drove from Cacak, almost an hour away, just because they knew that we were having a celebration for Easter. I gave him a New Testament and he testified of Christ. That encounter was a very sufficient reward for all our efforts that we had made.*

*All other services are carried out on a weekly basis:*

*the workshop - Tuesday ; Nurses meeting - Wednesday ;*

*Bible study Friday; Regular service -Sunday , so if you are on the way , feel free to stop by.*

*Some other good news that we would like to share is that our oldest daughter has expressed a desire to want to be baptized, our brother Marko, for the first time, preached the word of God, Aunt Sonja and Dejan have become regulars at our weekly service ... To God be the glory!*

*And finally, the most beautiful news, the time has come for the new member of our family to arrive. We most eagerly await, almost counting the hours, and pray to the Lord that everything runs smoothly.*

*I also want to mention that we have now collected, by the grace of God, one fifth of the money needed for the church and all our other activities! We are really thankful to the Lord that we can see that our God is the God of the small and big things and encourages the hearts of the faithful who are able to assist the mission in Kraljevo .*

*If you are interested to learn more about this project, and if you want to help , just contact us and we will give you all the information you need.*

*We greet you with the words of the Apostle Paul:*

*"The grace of the Lord Jesus Christ and the love of God and the community of the Holy Spirit be with you all."*
